

# The Universal, Non Partisan, Candidate Survey And Values Voter Education Guide.

[ [Page 1](#) ] [ [Page 2](#) ] [ [End](#) ] - [ [PDF](#) ]

Dear Candidate,

Thank you for your candidacy and your willingness to serve the public including our own families. I am a local citizen who found this Voter Education Guide online; [ [neprimer.com/ePress/articles/2008/RAC-CandidatesQu.pdf](http://neprimer.com/ePress/articles/2008/RAC-CandidatesQu.pdf) ] [ [html](#) ] (The URL's are case sensitive.) I would like you to answer it so that I can share all of the candidates' answers with all of my neighbors and those who are in my email address book.

Please note the title for it's non partisanship. The title says that it is "**Universal**" because it addresses the heart of our governance; the essence of our community "**Values**". It is "**Non Partisan**" so that it is unencumbered with any special interests or party platforms. Therefore your answers will "**Educate**" us about what you believe about **your own**: money, children, family, community, Constitution(s) and God which will help us anticipate your decisions and actions that affect your own family if elected to office.

I think one of the reasons for low voter turn out is the lack of good, unbiased information about the candidates. It is hoped that this "**Survey-Guide**" will inspire my email friends to be "Educated" and to go to the polls and vote intelligently. All voters look for candidates who will represent their views in offices of importance and authority. A lot of candidates will walk, talk and advertise extensively over the campaign trail, but one easily overlooked way to win my vote is to answer this "**Survey-Guide**" letter. You can impress me with: truth, accuracy, consistency and Constitutional priorities; which will unify like minded independents, partisans, conservatives, patriots, statesmen, and values voters into a effective group sufficient for **your success!** Not returning the survey is usually interpreted as an attempt to keep **your own district voters** from knowing **your position** on these important issues.

This "**Survey-Guide**" does **not** endorse candidates. It is designed as a **free advertisement service** in the form of an "**Email Report**" for all of the candidates to educate **their own district voters** about the key issues. The format for an "**Email Report**", which advertises all of the candidates' responses, will be condensed. It will list each candidate on a single line followed by the quantity of answers such as the total number of **#A's**, **#D's**, **#U's** and the first **4 (Y/N)** answers. If the candidate does not return the "**Survey-Guide**" then a single "**DNR**" (Did Not Respond) or "**FTR**" (Failed To Respond) comment will follow their name. At the bottom of the "**Email Report**" are 2 suggestions 1.) is to forward (Fwd:) the "**Email Report**" to their district voters, friends, neighbors and co-workers; and, 2.) to follow a link to this "**Survey-Guide**" so that they can read the questions for themselves. Here is a sample "**Email Report**": [neprimer.com/ePress/articles/2008/SampleEmailRept.html](http://neprimer.com/ePress/articles/2008/SampleEmailRept.html) .

I plan to print \_\_\_\_ ± hard copy "**Email Reports**" for local distribution; and, I have \_\_\_\_ ± local email addresses who might forward the "**Email Report**"; and who might also print and distribute it next door & at work. It could be posted on the internet.

### Candidate Instructions:

1. "**In-The-Mail Due Date**". \_\_\_\_\_. If a date is entered, please mail no later than that date (earlier is better). If the blank is empty please calculate your last day to mail by adding \_\_\_\_ (10?) days to your date of receipt of this Questionnaire. (The Return Date is important. If you do not respond in time the free email advertisement will show a **FTR** or **DNR** next to your name.)
2. Please see PAGE 2 of 2. (This is the only page that needs to be answered, signed, dated and returned.)
3. Please respond to each item with one of these letters: **A = Agree** ; **D = Disagree** ; **U = Undecided**. ( It is better to respond with **U = Undecided**, than to not respond at all.)
4. **Candidate's Signature** and **Date** on the bottom of PAGE 2. (The integrity of the "**Email Report**" rests on the return of PAGE 2 from each candidate with their signature which is your approval and our authorization for publication.)
5. Please return PAGE 2 no later than the "**In-The-Mail Due Date**" in the **Self Addressed, Stamped Envelope (SASE)** or enclose an excuse, note or rejection letter.
6. Please answer as to the statement's truth or accuracy rather than it's legality since some of the items might be currently unlawful or unConstitutional!

It is most important that virtuous candidates bring their values & integrity into public offices for the preservation of our Constitutional Republic. If you have questions, call me or email me.
